

Getting there:

Our office is located on the first floor of the **Businesscenter Maxtorhof, entrance Pirckheimerstrasse 68**. The building is situated in close proximity of the beautiful and historic Old Town and the Imperial Castle of Nuremberg. Nevertheless, it is fairly easy to get there by car or public transport.

The building also features public underground parking, from which you have direct access to the building via stairs or elevator. Please follow the signs directing you to "Pirckheimerstr. 68".

Via car:

Taking the motorway A3 from Würzburg, you exit the motorway at Erlangen-Tennenlohe. Head south along the B4 and then turn left onto Nordring (B4R). Follow Nordring for about 1 km and then turn right onto Rollnerstrasse. Continue along Rollnerstrasse until you reach the entrance of the underground garage at Maxtorhof, located on the left.

Coming from the motorway A3 and road B2, as well as coming from western or southern directions, always go as far as Rathenauplatz. From here, turn onto Maxtorgraben and continue past the city wall until you reach Maxfeldstrasse. Turn right onto Maxfeldstrasse and follow the road until you reach the entrance of the underground garage at Maxtorhof, located on the left.

Via underground:

You can reach us in a 4-minute walk from Maxfeld station (U3) and from Rathenauplatz station (U2/U3) within 8 minutes, walking past the city wall and along Labenwolfstrasse.
